

SpeedCast Final Dividend for 2015

ASX: SDA

Sydney, 26 February, 2016 – SpeedCast International Limited (“SpeedCast”), a leading global satellite communications service provider, announced on Thursday 25th February 2016 that the Board approved a final dividend of AUD 3.65 cents per share for the six months ended 31 December 2015.

The dividend will be paid on 4 April 2016 to all shareholders registered on the record date of 7 March 2016.

The ex-dividend date for the dividend entitlement is 3 March 2016, and not 4 March 2016 as published in the company’s Preliminary Final Report and Appendix 4E announcement. The date error was due to the move by the ASX from T+3 to T+2 trading and settlement terms on 7 March 2016.

The dividend is fully franked for Australian tax purposes.

No dividend reinvestment plan was in operation during the year ended 31 December 2015.
